Full text of JOE listing :
----------------------------

The Bank of Korea is seeking economists to conduct research in the above-listed fields. Those selected will be expected to conduct mainly policy-oriented research while also carrying out other central-bank related duties. Requirements include a Ph.D. in economics or a related field, together with strong written communication skills. Salary and position are commensurate with the economist's background and experience. New Ph.D. applicants will need to complete all requirements for their degrees by the end of September 2017.

Application Requirements
--------------------------

- CV
- Research papers
- Job Market Paper
- Letters of Reference
- Application form
