KAEA Workshops are intended to increase the interaction and exchange of ideas among the participants working on various topics in economics. If you are interested in presenting your work at KAEA Workshops, please submit a complete paper, including two JEL classification codes and your membership status with the KAEA. All submissions should be sent to the KAEA Workshop organizer, Yoonseok Lee, by email at ylee.kaea@gmail.com with “KAEA Workshop (2023 ASSA) Submission” in the subject line of the email no later than **October 26th (Wednesday)**. Only accepted papers are to be notified by November 11th.

To submit a paper for the workshop, one must be (or become) a lifetime KAEA member or paid his/her annual membership dues for 2022 and 2023 at the time of submission. This requirement is waived for KEA members. Please note that these are not official ASSA-sponsored sessions and thus will not be included in the ASSA program book. There is no financial support for the participants.
